

Shipman Wealth Management is situated at:

Newark Works
2 Foundry Lane
Bath
BA2 3GZ

How to find us please see circled in red on the map below:

Parking

Unfortunately, Newark Works office does not have onsite parking, however there are public car parks just on the other side of the river that is within walking distance, a couple of examples are The Green Park Car park, Avon Street Car Park and Southgate Shopping centre car park. Please note should you require the electric car charger the Southgate car park has these.

*The car parks have been circled in Green for your information and are approx. 3-7 minutes' walk from the car park to the office.

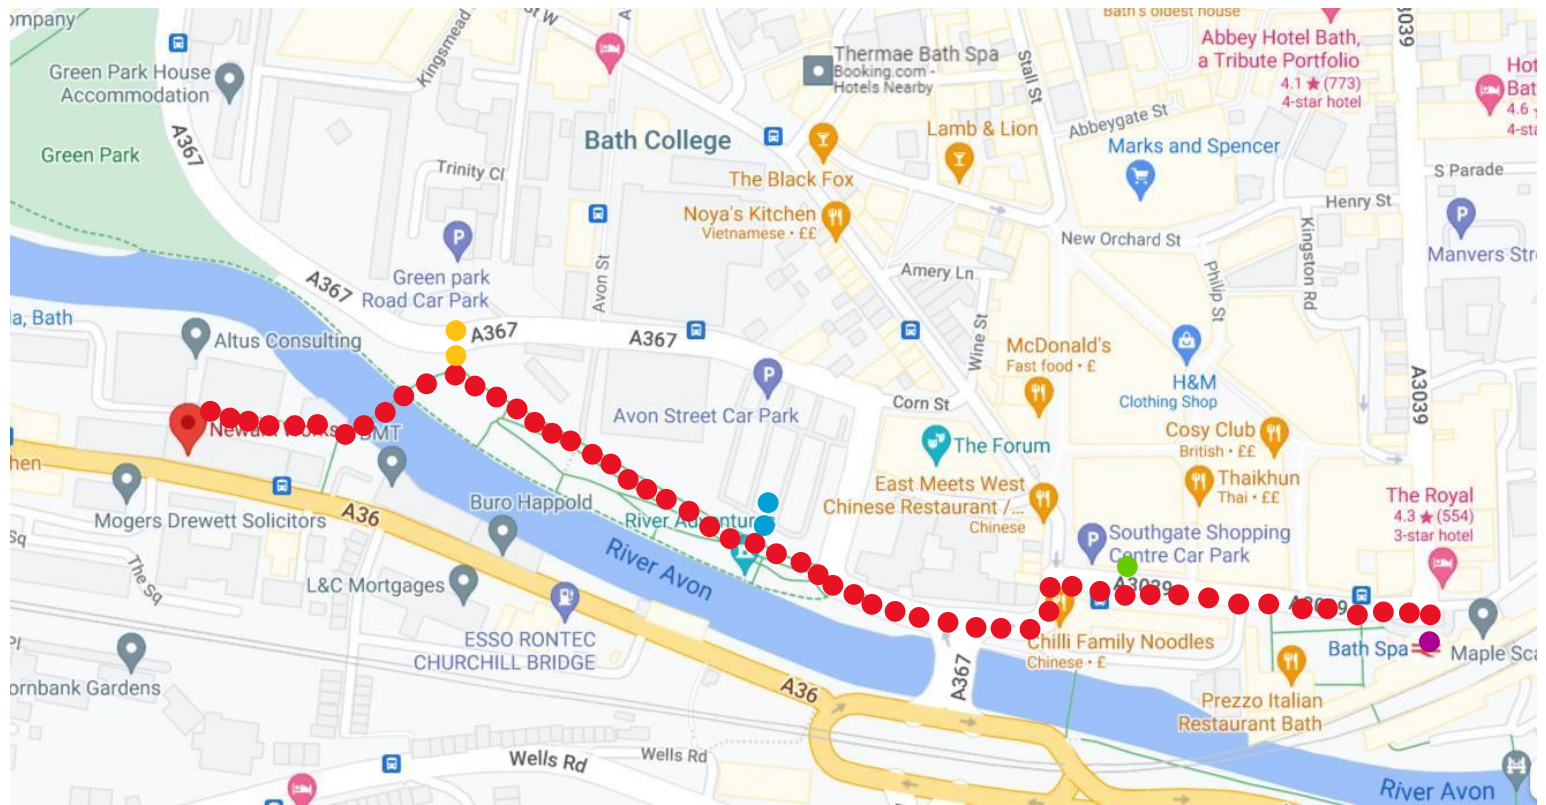

**Please refer to page 3 for directions if you end up at/near the Skoda Garage shown on the above map.

***If you are traveling via Train the nearest train station is Bath Spa from there it is approx. 11 minute walk.

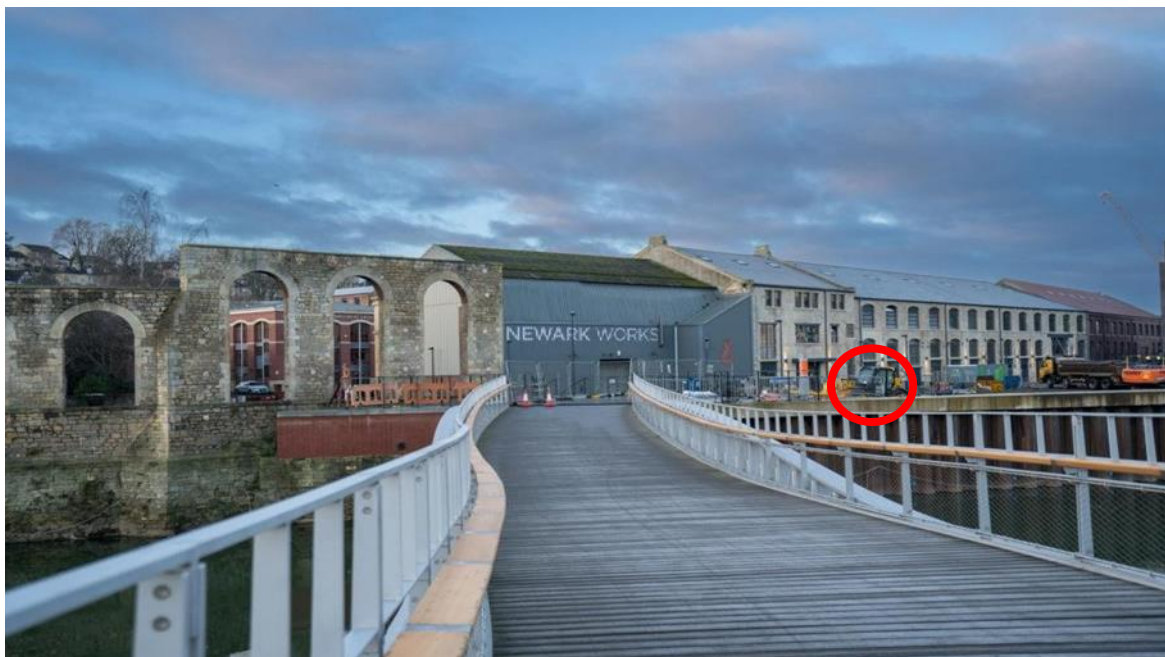

Directions from the Car Park

From any of the suggested car parks if you walk towards the river and head west there is a public footpath if you follow this until the White bridge this will take you to outside of the office the below key and map shows the route:

- Is the main route
- Bath Spa Train station
- Southgate Shopping centre car park
- Avon Street Car Park
- The Green Park Car park (please note this is a short stay car park)

Please note the entrance to our office is riverside, when facing the building (with the bridge behind you) the door is to the right of the coffee shop and you will find that the door is locked. There is a buzzer that shows instructions on how to contact our office. You will need to press the downward arrow until you find our company then select the call button, this will contact our office whereby they will let you in. Once inside go up the stairs on the left-hand side and once at the top there is a door on the left go through where you will find our office door immediately on the right. Please note there is a lift straight ahead if required we are on floor one.

** As noted on page one and you are for example using google maps directions and it takes you towards the Skoda Garage, we confirm that you are not far from the main entrance, please see below instructions on how to get there by walking.
